

MONTHLY NEWSLETTER

Summary July

- The 16 dogs we rescued from the Public Shelter in June all underwent treatment. Sadly one puppy died and Oscar is still undergoing treatment for severe Demodex. The rest are all healthy and up for adoption.
- Our first pallet of food arrived at Scooby's thanks to your generous donations we now have some very happy and well fed doggies!
- This month we also had our first team call in which we invited all our volunteers to join us and hear from all the directors about what we do and what they can do to support our charity further.
- We raised funds for various animals who needed saving. Most notable was Rocket who was tied up with a tight chain around his neck for 4 years. He is now recovering so well and will be coming in foster soon!

Coming up

- With our team trip to Romania coming up in October we really need to re-home some of the dogs we currently have! If we don't free up space we will struggle to save lives whilst we are out there. Please share, share, share our current dogs on Social Media.
- We are about to share some exciting ways you can fundraise for RRR. From coffee mornings, to clothing sales or even an organised walk we'd love you guys to get involved in raising the vital funds we need.
- We will be raising funds for our major spay campaign in September. This is such an important event for us and makes a big impact to the community in Romania.
- We are about to get an influx of puppies to foster in the UK. Watch this space for cuteness overload.
- We are just about to trial some clothing merch for our volunteers. If it's a hit and we think you guys will love it we will make it available to buy!
